Competency Standard VI: To maintain a commitment to professionalism

CDA Competency Standard V	Functional Areas	Definitions
VI. To maintain a commitment to professionalism	13. Professionalism	13. Candidate makes decisions based on knowledge of research-based early childhood practices, promotes high-quality in childcare services, and takes advantage of opportunities to improve knowledge and competence, both for personal and professional growth and for the benefit of children and families.

I will maintain my commitment to professionalism by attending all training, to learn and have those refreshers that I need to meet the needs of each child. It is such a joy figuring out how I can help a child succeed while spotting and honoring that teachable moment. My goal for classroom is to be organized and committed to help promote children's learning and child development. I have complete age-appropriate curriculum for my classroom and do extra work at home to make sure it meets the need of the children. I observe each child and include family input, this help me to better understand the dynamics of each child which help me to know their needs and I can plan accordingly. I treat each child with respect and help them build a strong positive self-image and also praying when the need arises.

I believe children love a sense of humor to laugh and have fun and enjoy life, this intern helps them to open up and talk and to know that God loves them. Our preschool teaches the Word of God and every year I teach The Fruits of the Spirit: Love, Joy Peace, Patience, Kindness, Goodness, and Self-Control. By teaching the Fruit
