- Congrats, your time spent studying for your test really paid off in your grade.
- You really worked hard and learned some tough material. Impressive!
- You kept trying new strategies until you figured out what worked. That's called persistence.
- The hours of effort you put in earned you that good grade. That really worked!
- I noticed how you stayed with your homework and put great concentration on it.
- Yes this project is going to take a lot of work, but I believe in your getting through it.
- You are the kind of kid who gets things done.
- Whew! You did it. It was a tough job but you stuck to it and got it done.
- You stayed at your desk and kept your focus until the job was done. That's great!
- This year we are going to learn some difficult material. I'm here for you.
